

11/8/21

To Whom it May Concern,

I want to comment on the recent legislative draft map drawn by the Arizona Independent Redistricting Commission (LD Map 10.0), in particular the portion of the map that covers Southern Pinal, Pima, Santa Cruz and Cochise, Graham and Greenlee Counties.

I strongly support this Southern Arizona portion of the map. LD 17, for example, combines Saddlebrooke, Saddlebrooke Ranch, Marana, Oro Valley, the Tanque Verde Valley and the Houghton Corridor. Residents of Saddlebrooke Ranch and Saddlebrooke have long said they have more in common with Oro Valley and Marana than they do with Northern Pinal. They shop there, get medical treatment there, etc.

Like Marana, residents of the Tanque Verde Valley enjoy a rural lifestyle (horses are allowed on larger streets in the area), as does the Houghton Corridor. Residents in these areas have chosen not to live in Midtown Tucson and have nothing in common with large urban areas.

Unincorporated Pima County and the smaller towns need a check and a balance on the City of Tucson. LD 17 provides that. Finally, LD 17 gives Republicans in Southern Arizona a voice. In contrast, the Democrat map as (LD Map 9.0) creates an all Democrat map, stifling that voice.

LD 19 includes rural Southeastern Arizona. It keeps Cochise County together and combines this area with the ranching communities of Sonoita and Patagonia. For over 20 years this area had been represented alongside the retirement communities of Green Valley and Sahuarita (in LD 9 and LD 30, respectively). Now they will be back together as they should be. LD 19 also joins the non-tribal areas of Graham and Greenlee Counties, giving a strong representation to ranching, mining, and agricultural interests in Southeastern Arizona.

And I urge all precinct committeemen and conservative activists to support these maps.

Sincerely,

Lizabeth Hale Jones
