Submitted Time	Full Name	Subject	Message
03/01/2022 - 14:09	Kevin McNeill	Public records request	<p>I am following up on my records request on December 2, 2021. Can you please give me a status update, and when I can expect completion? Thank you.</p> <p>Kevin McNeill [REDACTED]</p>
03/02/2022 - 10:27	Paul Robbert	District locator	<p>The last commission created a webpage on their site that allowed the public to enter their address to find out what district they were located in. Has a page like that been created for the new maps on this site?</p>
03/02/2022 - 10:47	Thomas W. Sonandres	Overlay and Precinct Maps	<p>I'm aware of your side-by-side CD and LD maps, but please inform if you have overlay maps to enable, for example, us to see which CD or CDs are in the same LD. IF not, are there plans to have such.</p> <p>Also, do you have precinct maps? If so, where? If not, when.</p> <p>Thanks. T</p>
03/08/2022 - 07:13	Julie	New District Locator	<p>Hello, I'm wondering when you will have the find my legislator updated with new districts? https://azredistricting.org/districtlocator/ Thank you, Julie</p>
03/11/2022 - 07:48	Delia Cyril	Cryptocurrency: How a bot can multiple 10x your investment daily	<p>Hi there,</p> <p>Have you ever wondered why new tokens listed on Uniswap, Pancakeswap or any decentralized exchange are always subject to insane price volatility?</p> <p>Did you know that front running bots have been dominating the market and profiting due to that?</p> <p>Check out our new Youtube video for a free and detailed tutorial on how to deploy your own front running bot: https://www.youtube.com/watch?v=HI5gkoDclhY</p> <p>Kind Regards, Delia</p>
