06/13/2022 - 12:30	William Cary	Website	This is a very confusing website. It is still not black and white on what the districts are coming up in the next election. Overlaying maps, ambiguous columns, other sites having other numbers for districts, and the Congressional sites still having the old district numbers. Any way this can be laid out clearly and unambiguous? If it is approved it should just have what it is in a link. On Next door and people throwing different districts for people running and just when I think I got it ...
07/01/2022 - 08:46	Stacy Gentile	Congressional district 2 Zip codes	Is there a list of zip codes for district 2 I can find somewhere?
