01/03/2022 - 11:23	Wanda Kolomyjec	Strange district line leaving me out of my community	Hello. I live at [REDACTED] in Phoenix in Ahwatukee. Nearly 100% of Ahwatukee is located within the LD18 boundary. However, my house (and a few others) are carved out and included in LD27. LD27 is quite far from our home and located on the other side of south mountain. Consequently, I am unable to vote for my representatives. Please consider including ALL of Ahwatukee together in LD18.  Thank you and sincerely,  Wanda Kolomyjec
