03/11/2022 - 07:48	Delia Cyril	Cryptocurrency: How a bot can multiple 10x your investment daily	<p>Hi there,</p> <p>Have you ever wondered why new tokens listed on Uniswap, Pancakeswap or any decentralized exchange are always subject to insane price volatility?</p> <p>Did you know that front running bots have been dominating the market and profiting due to that?</p> <p>Check out our new Youtube video for a free and detailed tutorial on how to deploy your own front running bot: https://www.youtube.com/watch?v=Hl5gkoDclhY</p> <p>Kind Regards, Delia</p>
03/11/2022 - 09:47	Kurt Musser	Cryptocurrency: How a bot can make you \$12,000 daily	<p>Hi there,</p> <p>Have you ever wondered why new cryptocurrency tokens are always subject to insane price action?</p> <p>We are giving away a totally free step-by-step guide on how you can profit from that with a front running bot.</p> <p>Check out our new Youtube video to learn how to deploy your own bot without any coding experience: https://www.youtube.com/watch?v=Hl5gkoDclhY</p> <p>Kind Regards, Kurt</p>
03/14/2022 - 12:24	Rahul Swamy	Shapefiles for the communities of interest	<p>Hello,</p> <p>I am Rahul Swamy, a researcher at the University of Illinois at Urbana-Champaign. Firstly, I would like to commend the commission's exemplary job of creating a transparent process for drawing Arizona's district maps.</p> <p>We at UIUC are working on algorithmic tools to help future commissions' algorithmic capabilities for redistricting. In order to better understand this year's redistricting work by the IRC, I was reading about how communities of interest are incorporated in the map-making process. The Communities of Interest Report outlines the 910 responses submitted by the public. However, I am unable to find information on exactly which of those communities are incorporated in the final district maps. Is this information available somewhere? Any leads on this would be greatly valuable to our research endeavors.</p> <p>Sincerely, Rahul Swamy University of Illinois at Urbana-Champaign</p>
03/15/2022 - 12:19	Tim Gallagher	LD-17	<p>Hello, do you have any demographic data for the new LD-17? If not, can you tell me where I could find it? Thanks.</p>

03/23/2022 - 15:31	Bethlehem Makonnen	Training request	I am reaching out to see if I can schedule a training in regards to the redistricting process for a group of 8 young adults. I am the Youth Initiatives Director at Our Voice Our Vote Arizona and we will be focusing on redistricting information for the entire month of May and I think it would be beneficial for the group to hear from the IRC. Thank you!
03/23/2022 - 15:32	Bethlehem Makonnen	Previous email	Hello- I accidentally listed my personal email for the previous message. I just listed my work email on this one. Please contact me at [REDACTED] Thank you!
