The public should absolutely be able to weigh in on the candidates before a decision is made by the commission on who to hire whether or not the interviews are conducted in public or in executive session.
3/2/2021 10:16:01	March 2, 2021	x. Discussion about Legal Counsel	Sharon Edgar	86004	self	Thank you so much for your service on this Commission. The idea of asking the AG's office to provide a presentation on past court cases and Voting Rights Law is excellent for both the Commission and the public.
3/2/2021 10:20:30	March 2, 2021	Legal Counsel	Deborah Howard	85308	self	Listening to the conversation this morning I am thankful that you are looking at "learning and listening" to help inform your decisions going forward. I am also linking two threads in my mind. SCOTUS is hearing a case this week that would undermine the VRA - Section 2. the basis of that suit is AZ challenge. That adds to a concern of using the AZ AG office for your guidance in this area as they are leading the charge to weaken, if not undermine, the VRA.
